

Free Range Passport

ARLINGTON • BELMONT • CAMBRIDGE • LEXINGTON • WINCHESTER

This passport belongs to _____

How this works

1 Find a spot.

Every page is a kind of public play. The Free Range at wickedcurio.us lists places in all five towns.

2 Go play.

No tickets, no sign-ups. Just show up.

3 Log it.

Write where and when, then stamp, sticker or doodle the circle.

4 Rate it.

Fine, very fine or wicked.

HOUSE RULES

- Public places only: run by a town, a city or the state, and open to anyone.
- Take turns, even on the big slide. Leave it better than you found it.
- No streaks, no deadlines, no scoreboard. This passport is paper (or a PDF), and we don't see it.

✍ Fill it in on screen (every blank is typeable and every box is tickable) or print it as a booklet: double-sided on letter paper, folded and stapled.

Went down the big slide

Try a playground in a town you don't live in.
