How this works

1 Pick a badge.

2 Go.

Outside, probably.

3 Stamp it.

Draw a stamp, add a sticker or tape in a ticket stub.

4 Rate it.

Fine, very fine or wicked.

HOUSE RULES

- Free events count. Every badge can be earned for \$0.
- No streaks, no deadlines, no scoreboard. Go at your own speed.
- This passport is paper. We don't know where you went, and we like it that way.

Printing tip: choose "Booklet" in your print dialog, print double-sided on letter paper, fold in half and staple.
